

Improve an idea by adopting different angles.

<p>Preparation</p>	<ul style="list-style-type: none"> • Prepare your space's main table by inserting the collaborative note template "Idea refinement (De Bono)". Complete it with the chosen idea for the session. • Identify the number of tables required for your workshop, based on the chosen hat sequence, and insert new collaborative notes in the sub-tables that will be used. • Customize the layouts of your sub-tables with the "Thinking Hats" templates. • Search for the "Idea refinement (De Bono)" template sequence in the library and modify it as you wish.
<p>Flow</p>	<p>Subgroups mode</p> <ul style="list-style-type: none"> • Broadcast the sequence. • Welcome participants around the main table and start the flow. • Present the idea that must be improved and the workshop protocol. • Launch the activity by asking participants to join the sub-table corresponding to the first hat that will be used. • Take notes on the collaborative note of this table to keep track of the discussion. Tell participants they can do the same. • Each time you change hats, switch subtables with the participants. • Return to the main table for the debrief. Take notes on the collaborative note template. • End the session.
<p>Variations</p>	<ul style="list-style-type: none"> • Instead of inserting new collaborative notes in the sub-tables, use the draft template "Thinking Hats".
<p>Reuse</p>	<ul style="list-style-type: none"> • To evaluate an idea or generate new ideas • To make decisions • To plan a strategy • To solve problems
