

Learn from failures and successes by understanding them.

<p>Preparation</p>	<ul style="list-style-type: none"> • Insert the "REX - Collective synthesis" collaborative note template in the main table of your Glowbl space. • Identify the number of sub-tables required for your workshop, according to the number of participants, and insert the collaborative note templates "REX - Analysis" and "REX - Commitment plans" in each of them. • Customize your tables with the "REX" layout templates. • Find the "REX" template sequence in the library and modify it if necessary.
<p>Flow</p>	<p>Subgroups mode</p> <ul style="list-style-type: none"> • Welcome participants around the main table and broadcast and start the sequence. • During the ice-breaking, change the table layout so that participants can indicate their mood of the day. Use the "Ice-breaking" weather layout and ask participants to move on the carpet that fits their mood. • During individual reflection, ask participants to use their personal notes. • For the oral exchange in pairs/trinomials, assign participants to the different sub-tables. <p>Broadcast mode</p> <ul style="list-style-type: none"> • For the collective working method analysis, divide participants into different groups and give them the following instructions: <i>You are going to answer the questions in the collaborative note "REX - Analysis" and produce content together. Then we'll discuss the results.</i> <p>Subgroups mode</p> <ul style="list-style-type: none"> • The collaborative note "REX - Analysis" is completed in groups. <p>Broadcast mode</p> <ul style="list-style-type: none"> • Organize the oral discussion by broadcasting the content produced on the table so that the work of the different groups can be compared. • Launch the "Commitment plan for the next time" phase and divide participants into different groups again for phase 2. <p>Subgroups mode</p> <ul style="list-style-type: none"> • The collaborative note "REX - Commitment plans" is completed in groups. <p>Broadcast mode</p> <ul style="list-style-type: none"> • Organize the oral restitution by broadcasting the contents before carrying out a positive feedback round and putting an end to the session.
<p>Variations</p>	<ul style="list-style-type: none"> • Instead of using the weather "Ice-breaking" layout during the opening, use the poll template "Ice-breaking - How are you feeling today?".
