#Connect

 **Create connections by fostering a convivial atmosphere**  12 - 48  15 min

Benefits

For te facilitator Promote team cohesion. Create a relaxed and open atmosphere.

For the participant Feel comfortable within a group.

This activity is a fun and visual activity that encourages the sharing and exchange of anecdotes. It is based on interaction between participants. During this activity, participants are divided into groups of six. Within each group, they must position themselves on a line in relation to each other according to instructions given by the facilitator. This activity helps strengthen bonds within the group and energises it at the beginning of a session.

Sequence

5 min	Activity presentation	<i>In plenary</i>	L'animateur explique l'objectif et le déroulement de l'activité.
5 min	Lines & Exchanges	<i>In group</i>	The facilitator forms groups of up to 6 participants and gives a specific instruction for them to position themselves in a line within their group. Participants must then assess the instruction and place themselves on the line based on their relative position to others. This can lead to informal exchanges where participants share anecdotes or explain their choices. The facilitator repeats the exercise twice.
5 min	Debrief	<i>In plenary</i>	The facilitator asks participants if they learned any interesting anecdotes during the activity. Some of these can be shared with the entire group.

Example of instructions:

1. "Position yourselves in a line according to the number of languages you speak."
2. "Position yourselves in a line based on what time you woke up this morning."
3. "Position yourselves in a line according to your level of experience in this field."
4. "Position yourselves in a line based on your degree of familiarity with this topic"
